HANAR PRODUCTS

CATALOG 2023

Enhance every aspect of your home
Embrace a smarter way of living with HANAR!

BICYCLES

Discover the thrill of cycling with Hanar Bicycles. Our high-quality, innovative designs are built to elevate your riding experience. Choose from our exciting range of bicycles and accessories, designed to match your lifestyle and unlock new adventures.

E-MOTORBIKES

Experience effortless riding with Hanar E-Bikes. Our cutting-edge electric bicycles redefine convenience, efficiency, and sustainability. Choose from our range of powerful models designed for off-road adventures, urban commuting, portability, or mountain biking.

E-CARS

Our lineup of eco-conscious electric vehicles combines performance, style, and advanced technology, Hanar offers a range of models to suit your needs. Join the movement towards sustainable mobility and discover the power of electric driving with Hanar Electric Cars.

SMART ACCESSORIES

Our range of electric smart accessories and innovative home appliances brings connectivity, efficiency, and convenience to your daily life. From smart charging stations to intelligent refrigerators

WELCOME TO HANAR COMPANY

Welcome to the Hanar Catalog: Where Innovation Meets Your Lifestyle

At Hanar, we are proud to present a catalog filled with products that cater to your mobility and smart living needs. With a focus on sustainability, efficiency, and cutting-edge technology, our range of bicycles, e-motorbikes, e-cars, and smart home accessories is designed to elevate your everyday experiences.

At Hanar, we believe in the seamless integration of mobility and smart living. Explore our catalog and discover the perfect products that align with your lifestyle and values. Embrace innovation, sustainability, and convenience with Hanar, and embark on a journey towards a future where mobility and smart living harmoniously coexist.

Discover a world where innovation, sustainability, and convenience converge. Hanar presents a catalog that showcases our exceptional range of products designed to elevate your lifestyle. From bicycles to e-motorbikes, e-cars, and smart home accessories, we invite you to explore the possibilities of a seamless and sustainable living experience.

At Hanar, we envision a future where mobility and smart living seamlessly merge to enhance every aspect of your life. Browse through our catalog and embark on a journey towards a more sustainable, connected, and convenient way of living. Embrace the future with Hanar, where innovation meets your lifestyle.

WHY CHOOSE US?

Welcome to the HANAR Products Catalog! Our company stands out as a leading choice in the smart accessories industry, offering an exceptional range of products that cater to every person's passion and adventure. Here's why you should choose us:

Innovation at the Core: At Hanar, we are driven by innovation. We constantly push boundaries, seeking to redefine mobility and smart living. Our products are designed with cutting-edge technology, ensuring that you stay at the forefront of advancements and enjoy the latest features that enhance your lifestyle.

Superior Quality: We are committed to delivering superior quality in every product we offer. From bicycles to e-motorbikes, e-cars, and smart home accessories, our products undergo rigorous testing to ensure durability, performance, and reliability. Trust in Hanar for products that are built to exceed your expectations.

Sustainable Solutions: As a responsible company, we are dedicated to sustainability. Our electric vehicles and smart home accessories are designed to reduce carbon emissions, conserve energy, and promote a greener future. By choosing Hanar, you become part of a movement towards a more sustainable and eco-friendly lifestyle.

Seamless Integration: We understand the importance of convenience and seamless integration in your daily life. Our products are thoughtfully designed to provide a hassle-free experience. Whether it's the ease of charging your electric vehicle, controlling your smart home with a single app, or enjoying intuitive features, Hanar ensures that your journey is smooth and effortless.

Style and Design: We believe that aesthetics matter. Our products boast sleek designs and attention to detail, reflecting our commitment to not only functionality but also style. With Hanar, you can embrace innovative technology without compromising on elegance and sophistication.

Choose Hanar for a transformative experience that combines innovation, quality, sustainability, convenience, and style. Join us in shaping the future of smart living.

MOTORCYCLE

Childrens Electric Motorcycle

PRODUCT DETAILS

Product Model: 519

One key start simulation dashboard early education function
forward and backward high simulation light USB interface
MP3 jack Single electric single drive 380 motor 6v4 battery

Color: Red and white pink

Gross weight: 8.8KG

Net weight: 7.3kg

Product size: 92.5*40* 68cm

Package size: 83*33*39cm

MOTORCYCLE

Childrens Electric Motorcycle

PRODUCT DETAILS

High Capacity Battery strong endurance Comfortable grip design, comfortable grip does not hurt the hand. Music switch button, forward, stop and back Fender design, the baby can safely play. Increase storage, you can place more items. Hidden charging port setting, safe anti-leakage. Step on the gas, safety and sensitivity

Model: 518

Color: Pink/Green

Charging time: 6-9 hours

Using time: 2-3 hours

Applicable age 1-6a ages

Battery: 6V4AH

Feather: Lighting/Music/Forward and backward/Safety training wheels

MOTORCYCLE

Electric bicycle

PRODUCT DETAILS

Frame material: High carbon steel frame

motor: 1500W motor

controller: 12G controller

brake: Front and rear oil brake

instrument: Digital display instrument

saddle: High elastic thickened saddle

tyre: 300-10 tires

Shock absorption: Damping front and rear shock absorption

battery: Lithium battery

endurance: 60-80KM

Body length: 173CM

Body height: 104CM

Other functions: Horn/headlight/daily running light/left and right turning light/near and far light/mobile phone bracket /USB charging port/keyless riding

SMART BALANCE BIKE

Electric Balance Board

PRODUCT DETAILS

Speed limit protection: It will not cause a child to fall on a whim

Low battery protection: Low voltage will automatically alarm

Anti-tilt protection: When the body tilts more than 45 the motor stops automatically

Automatic hibernation: When the balance bike is not used for 2 minutes it will automatically enter hibernation to save power

Applicable population: All kinds of people

Battery capacity: 1.5v

Charging time: 3-4h

The motor: 280w

Minboard: Haitao dual system motherboard

SMART BALANCE BIKE

Smart Balance Bike

PRODUCT DETAILS

Rated volyage: 36v

Weight: Approx, 8.5kg

Charging time: 3-4h

Electric range: 10-12KM

Bearing: 15-90kg

The motr: 300w

Applicable population: All kinds of people

Mainboard: Special customized motherboard

BDQ-8

Electric Ferrari BDQ-8

PRODUCT DETAILS

Model:BDQ-8 Kart

Color:Red,white,yellow

Features:

Early education function,music,power display,
Adjustable volume,Bluetoothfunction,USB jack,MP3jack,
12V7-dayenergy battery,550 dual driving force,
bodyadjustable 20cm,adjustable speed,suitable for
3-16 years old children, speed and passion collision,
super senseofexperience,independent braking,higher safety

Net weight:16.5KGS

Gross weight:20KGS

Product size:125x64x56CM

Package size:105x33x68CM

CK308

Electric Ferrari BDQ-8

PRODUCT DETAILS

Motor: 12V120W brush motor, Chain Driven

Battery: 12V7Ah lead acid battery

Max speed: 10km/h (30kg)

Charging time: 8-12h

Max range: 60min

Max load: 50KG

Tire: 9inch

NW/GW: 9/11KGS

CTN SIZE: 80*21.5*64CM

Color: Black

Use time: charge 8-12hrs, use around 1 hour

Output voltage of charger: DC12V

Age: 6+

Max load: 50KGS

Measurance: 795x655x215mm

Biomimetic Devil Fish Appearance, Drift, spin, tailspin, s turn,

Ultra low center of gravity racing arc seat,

Experience driving close to the ground faster than the actual speed

SCOOTER

Electric Scooter

PRODUCT DETAILS

Item No.: E102

8.5" scooter deck aluminum , T bar aluminum

Engine: 36V 300W

Battery:36V 6.0AH

Range:6.0AH:15-20KM

Charing time:4-6h

Input:110-240Vac 50-60HZ/2A

Display:LED Tires:8.5" pneumatic tire

Frame Material:Alumium

Climbing Degree:15

Speed:20-30-40 KM/H

Brake form:Front wheel:E-brake/rear wheel:Disc brake

Pedal board height:87.5mm

Resistance:IPX4 Max load:100KG

Lighting:LED for headlight and rear lights

Two color choose : White deck+black T bar, black color

box size : 109*14.5*50.5cm

EYE MASSAGE

Eye Massage

PRODUCT DETAILS

Product model:JY-811

Product accessories: machine+manual+type-C cable+color box+inner tray Product material: ABS shell material+protein skin eye mask Automatic timing: 15min

rated voltage: DC 5V

Rated power: 3.4W

adapter: AC100-240V DC5V

Battery capacity: 1200mAH

Usage duration: 90-100min

temperature: 38-44°

Product function: airbag massage+constant temperature

hot compress+multi frequency vibration+music+intelligent

Bluetooth+charging+180 degree folding Net weight: 301g

rough weight:487g

Product size: 21*8*10cm

Packing quantity: 25PCS

Outer box size: 47*37.5*46.5CM

Color box size: 200*142*87mm

Product model:JY-205

WIRELESS BLUETOOTH HEADPHONE

Hanar earphone +Hanar 1 Pro

PRODUCT DETAILS

Model: Hanar 1 pro
Headphone size: 28.1*15.5*23.7mm
outer Size: 36*36*73mm
Bluetooth Version: Bluetooth 5.2
Talking time: 4.5 hours
Music time: 6 hours
Charging time: 1.5 Hour
Charging for power: 3 times
Wireless range: 10m
Battery Capacity: 300mAH
Rated voltage: x3.7V
Net weight: 5.5g
Gross weight: 6 g
Product accessories: Instruction Manual*1+Headphone
*1+Charging cable*1+Eartips*3
Outer box size: 55.8*44.23.1cm
Packing quantity: 100pcs

EARPHONE

Hanar earphone+hanar

PRODUCT DETAILS

Model: Hanar 1

Wireless version: Wireless 5.2

Music time: 4 hours

Protocol: A2DP/HFP/HSP/AVRCP

Frequency: 2.4GHz-2.4835GHz

Headphone battery: 30mAh

Charging compartment battery: 200mAh

Charging time about 1.5H

Communication distance: 10M

Battery input voltage: DC 3.2-4.2V

Charging input voltage: DC 5V+/-0.25V

KEYBOARD

Hanar wireless keyboard & mouse

PRODUCT DETAILS

Model: Hanar K-01

Key life: 5 million times

Connection mode: 2.4G

Keyboard structure: a crater

Keycaps: 77

Mouse buttons: 3

Range 10M

Material: ABS

Keyboard size: 305*60.5*32.2MM

Compatible System: Windows

ROBOT CLEANER

Intelligent robot cleaner

PRODUCT DETAILS

Product dimensions 32cm*7.8cm
Product packing size 350*140*385 (mm)
AC Input voltage 12v
Power 15w
Suction 1000Pa
Suction type single suction
Certification CCC,CE,ROHS,FCC,PSE
Dustbin Capacity 400ML
Type of battery Lithium battery
Battery capacity/Voltage 2600mAh/7.4V
Working time 60mins
Charging time 3--4H
Fan Motor Brushless DC Motor
Power Adapter DC12V 0.6A
Mop Fluff type super large wet mop
Function 3 IN 1 Vacuum&sweep&mop, Auto cleaning
Edge cleaning, spot cleaning
Anti-collision Yes
Anti-fall Yes
Intelligent planning Norm planning
Infrared auto-recharge Yes
WIFI,Tuya APP Control Yes
Voice control Tmall Genie, DingDong, DuerOS,Alexa
Google Assistant
Visual map Yes
remote control Yes

MINI FASCIAL GUN

Mini Fascial gun

PRODUCT DETAILS

Block a strength: 1-6

The product weight: 0.43k

The power supply mode: Type -c charge

The rated voltage: 7.4

Bttery life: About 5 hours

Apply to invironment: -10_40C
